

# THE SAVANNAH BANANAS

## WHAT MAKES US DIFFERENT

-  We sell only one ticket - and it's All Inclusive - Every Bananas Ticket at Grayson Stadium includes All You Can Eat Hamburgers, Hot Dogs, Chicken Sandwiches, Chips, Popcorn, Dessert, Water and Coca-cola products.
-  Our players dance. You got that right - every night, our Bananas will perform a unique choreographed dance. From "Footloose," and "Hit Me Baby One More Time," to "Hot in Here" and "Thriller," they'll hit every genre.
-  Our players have performed in over the top music videos that have received millions of views, including hits Can't Stop the Peeling, Old Town Road, and Bananas are Back.
-  We are the only baseball team to play in Kilts.
-  Our coaches dance - well one in particular. Our breakdancing first base coach has been featured on ESPN, CNN and his dance moves have received millions of views.
-  We have the most unique coaching staff in the world. Our head coach, Tyler Gillum wears cowboy boots every night and is known to ride a horse at the ballpark. Our assistant coaches include a luchador, Voodoo Jack, who is our Intimidation Coach. We also have seven-year old Coach Riley and our Grandma Coach, Coach Marty who bakes cookies and coaches from a rocking chair in the dugout.
-  Our Owner, Jesse Cole, wears a Yellow Tuxedo all the time. In fact, he owns 7 yellow tuxedos and proposed to his wife, Emily, in the Yellow Tux. She said "Yes!" They are still married and welcomed a Baby Banana in 2018.
